

PARENTAL SURVEY NOTIFICATION AND OPT-OUT FORM

Our school is taking part in the 2023 Raymond Youth Risk Behavior Survey sponsored by The Raymond Coalition for Youth in partnership with the Raymond School District. The survey will ask about the health behaviors of ninth through twelfth grade students. The survey will ask about nutrition, physical activity, injuries, and tobacco, alcohol, and other drug use. It will also ask about sexual behaviors that could lead to pregnancy and sexually transmitted infections, including HIV

Students will be asked to fill out a questionnaire that will take about 45 minutes to complete. They will take the survey during regular class time.

Completing this anonymous survey will cause little or no risk to your child. The only potential risk is that some students might find certain questions to be sensitive. The survey is designed to protect your child's privacy. Students will not put their names on the survey and no class, or student, will ever be mentioned by name in a report of the results. Your child will get no benefit right away from taking part in the survey. The results of this survey will influence health and safety programs and will provide information to help secure grant funding to support these programs.

We would like all students to take part in the survey, but the survey is voluntary. No action will be taken against you, or your child, if your child does not take part. Students can skip any question that they do not wish to answer or stop participating in the survey at any point.

This survey has been administered in our school district since 2007 and the information collected is utilized to bring programming and activities into our community along with grant funding to support them. The results of past surveys can be seen at www.rcfy.org. If you have any questions about the survey please contact the Raymond Coalition for Youth office, 603-895 -7061 or info@rcfy.org.

If you **do not** want your child to take part in the survey, check the box, sign and date the form, and return the form to the school no later than **Friday, March 3, 2022**. Signing and returning this form will **dismiss** your child from taking the survey. **If you have no objection to your child taking part in the survey, you do not have to fill out this form.** Thank you.
