To place a bid - Write your Personal Bid Number (located on the back of your program) and bid amount in the next available space on the bid sheet. The minimum bid and minimum raise for each item is on each bid sheet. To be valid, bids must comply with these minimums and be readable. Doing so constitutes a contract to purchase that item at the price you stated if your bid is the winning bid. The last (highest) bid entered, prior to the auction closing will be the winning bid. The silent auction tables close promptly at 8:15pm.

When the auction is closed, the winning Personal Bid Number will be clearly marked on each sheet. Winners may purchase and pick up their items at the checkout table located at the entrance at the end of the evening.

We want to extend a special thank you to all of our sponsors listed throughout the program.

If you are interested in getting more involved with RCFY on a volunteer basis, or a partner who would like to learn more, please contact our office.
