

Dear Raymond School District Students:

We are looking for students who want to make a difference by sharing their voice about issues that matter to them and their peers by being a member of RCFY Youth Action.

Youth Action is a "Student led, adult supported" group filled with students who want to make a difference when it comes to making healthy choices to positively impact the future. Some prevention efforts have focused around underage drinking, tobacco (particularly vaping use), marijuana use, stress, anxiety, and more. We want to get the message out that you do not need substances to have a good time and have taken a lead role in many important school and community events such as Red Ribbon Week, National Prevention Week, Operation Raymond Cleanup, prom and graduation safety and other campaigns such as Take Pride in Raymond and Stronger Together.

If you are in grades $6^{th} - 12^{th}$ grade and are interested in being a part of this diverse group of youth we recommend filling out the following registration form and sending it toPamela Baker, RCFY Program Coordinator at <u>pbaker@rcfy.org_or RCFY@sau33.com</u>.

The Raymond Coalition For Youth (RCFY) has been promoting positive healthy behaviors for youth, with students from Raymond School District since 2002. Youth Action is the youth voice and in fact is the foundation for much of the work that RCFY does.

Have a wonderful school year! We look forward to hearing from you.

Sincerely,

Pamela Baker Program Coordinator
