

Since 2002

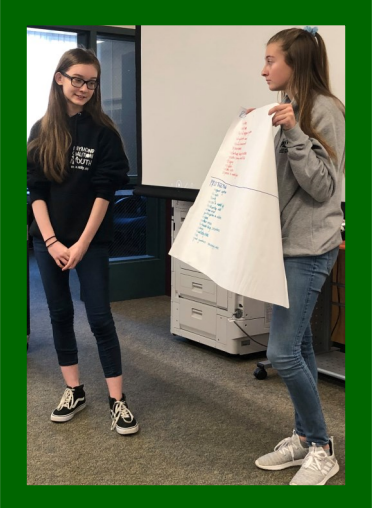

2020
Annual Report

Thanks for
teaching us
in a fun and
helpful way!

Coming in the Spring of 2021
The Cam Baer Memorial
Disc Golf Course
at Riverside Park

This is success! This is impact! This is us

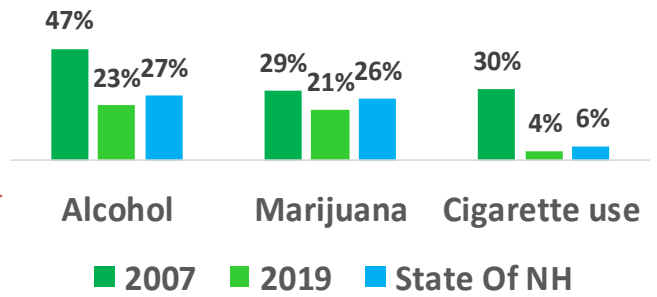

RCFY was formed in 2000 in response to Raymond students reporting higher rates of substance misuse than the State of NH average. We are happy to report that our 2019 data reflects the lowest rates of substance misuse since that time and that we are now lower than the State in our most concerning areas.

RCFY is committed to promoting safe, healthy, drug-free choices for our youth and community. Investing in RCFY helps us to engage, empower, and educate youth and volunteers so we can continue our work.

2020 was a particularly hard year for nonprofits and we are looking forward to being back out in the community offering fun, interactive events and programs, including our Gala set for March 6th, to financially support RCFY.

2021 will be our first year in ten without our Drug Free Community grant, which was the majority of our funding. The most impressive part of RCFY is the amount of volunteer time that is generated through our work.

Youth Risk Behavior Data - substance misuse

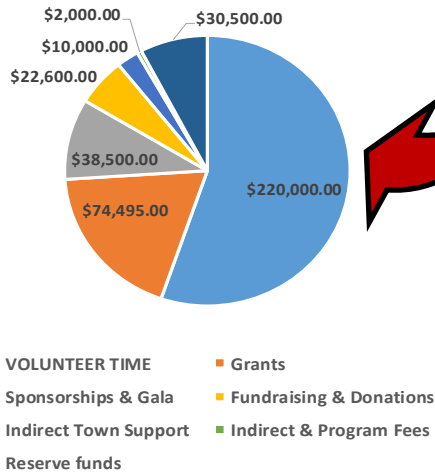

Past 30 day use/ current use	2007	2019	State Of NH
Alcohol	47%	23%	27%
Marijuana	29%	21%	26%
Cigarette use	30%	4%	6%

Thank You

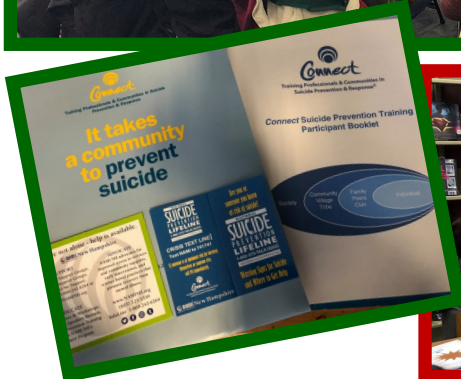

You are helping to make a difference!

2021 RCFY Proposed Revenue and Resources

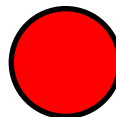

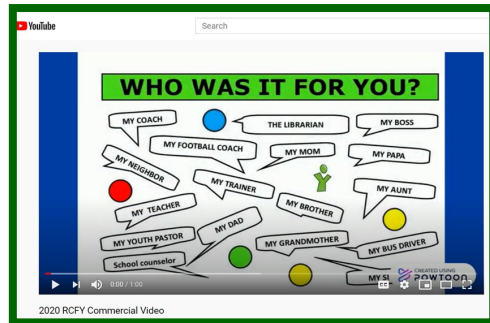

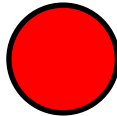

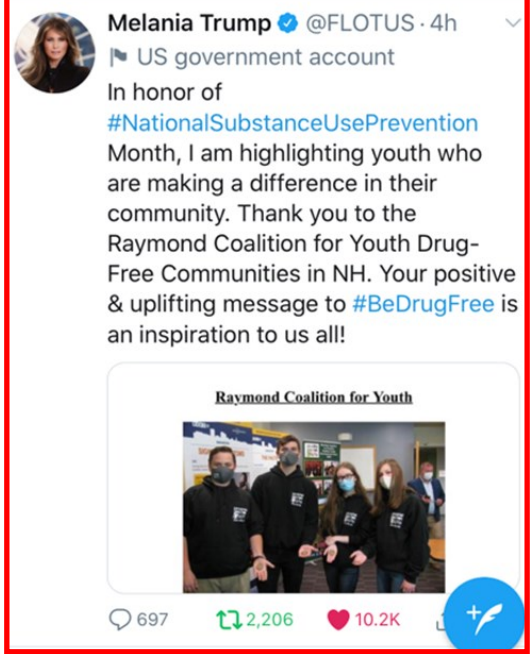

Project Safeguard, Family Fun Night, Suicide prevention training, Youth Action, RCFY monthly meetings, ongoing prevention messaging and so much more...
Stronger Together but safely apart—promoting self care, rest and resiliency.

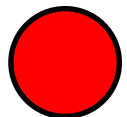

Celebrate 2020 with us!!

Thank you for your continued support and dedication to RCFY mission. 2020 was a pretty good year.

2020 NH Nonprofit—Harvard Pilgrim Health Community Impact Award , 2020 Town Square Media Year of Service Award, A visit from the White House with Director James Carroll , 317 pounds of drugs collected for safe disposal at DEA Medication Take Back with Raymond Police and Walgreens, Recovery Friendly Workplace Certification, Red Ribbon Week and a shout out from First Lady Melania Trump

Wishing you a Merry Christmas and a Happy and Healthy 2021

Thank you for your support and dedication to our youth, communities and RCFY mission
